GENERAL CONDITIONS OF SALES AND DELIVERY

Scope
General Conditions of Sale and Delivery are valid for deliveries and sales carried out by Bright View Trading HK Ltd (hereinafter "Bright View" or "Supplier") to the Customers (hereinafter "Customer"). With the acceptance of the delivery note by the Customer, the following conditions are intended be understood and accepted by the Customer.

Complaint submission
The Customer has the right to submit aby complaint by midnight of the day following receipt of this document. The complaint must be accompanied by objective evidence to be taken into consideration. The supplier will evaluate the validity of this claim within 24 working hours following receipt of the same. The supplier has the right to reject the complaint in the absence of proven failings on the part of the same and the Customers is required to pay in full for the goods on the invoice.

Terms of payment
The terms of payment are those provided for in the existing contract stipulated between the parties or, in the absence of the contract, be those provided for by the agreement with the seller. The Customer is authorized to suspend payments to Bright View in the event of a complaint or for other reasons. Failure to comply with a single payment deadline authorizes Bright View to demand immediate payment of all sums due, even if not accrued, and invalidates any previously negotiated agreement regarding payment methods. In the event of delay or irregularity in payments, Bright View reserves the right to suspend further deliveries, even if not relating to the payments in question, without prejudice to any further rights. In the event of a complaint submitted and under evaluation by the Supplier, the Customer must proceed with the payment of any other orders within established terms.
